

Care Quality Commission – are you ready for inspection?

Your relationship with the CQC is an on-going process with inspections, requests for information and your CQC public risk profile. Start your relationship well with a compliance health check from CODE, hand-holding for compliance or CODE Accreditation

Self set-up for compliance

CODE membership and Clinical Governance Made Simple give you the tools you need to set up all of your policies, procedures, audits and risk assessments.

There is a special offer of joint membership for £550 plus £15 per month for Clinical Governance Made Simple updates and a new kit each year (+ VAT).

ASSURE 1 LEVEL

Assure Level 1 – Health check for compliance

The health check is a one-day visit by a CODE consultant to review your compliance with the 28 CQC Outcomes. Your action plan to compliance is provided with an additional half a day of support by phone, fax or email to help you complete the plan and to prepare for CQC inspections or requests for information.

The cost of the health check is £995 for non-members of CODE or £905 for members (+ VAT).

ASSURE 2 LEVEL

Assure Level 2 – Total Support with hand holding

With Total Support the consultant will spend 2.5 days in the practice helping you to set up all of the procedures, risk assessments, policies and action plans to achieve compliance. You will also have an additional half a day of support by phone or email to help you with CQC inspections, requests for information, imposed conditions and the updating of your compliance documentation. Total Support includes a practice meeting and the set up of your clinical governance system.

The cost of Total Support is £260 per month (+ VAT).

ASSURE 3 LEVEL

Assure Level 3 – CODE Accreditation

CODE Accreditation will show that you not only meet essential regulations and professional guidelines relating to dentistry, but also additional patient care standards from CODE. The service includes on-going compliance health checks and support for CQC registration and compliance. This will help you gain the new patient-friendly quality marque in dentistry. Accreditation includes two consultant visits per year plus half a day of support by phone or email.

The monthly cost is £295 (+ VAT), this includes CODE membership and Clinical Governance Made Simple subscription with 2.5 days of consultancy.
