

# CODE ACADEMY

## HANDS-ON TRAINING IN FACIAL AESTHETICS

### FOUNDATION COURSES

Botulinum toxin  
Dermal fillers  
Chemical peels

Foundation courses last a day and give you training to start providing treatment right away. Advanced courses develop your non-surgical skills even further.

### ADVANCED COURSES

Botulinum toxin for the lower face and neck

Dermal fillers  
Lip Masterclass

Dermal fillers for cheek enhancement, tear trough and orbit

Chemical Peels

CODE Academy Training has an established training standard. All training undertaken on a CODE accredited course is recognised by Hamilton Fraser Insurance Solutions (HFIS plc) for your medical malpractice insurance. Course participants benefit from **10% discount** off malpractice insurance with HFIS.

Courses are held in London, Manchester and Glasgow and on demand at your practice.

Maximum 8 delegates per trainer for hands-on courses

### ON-DEMAND TRAINING

Personal training in botulinum toxin and dermal fillers is available at your practice on demand.

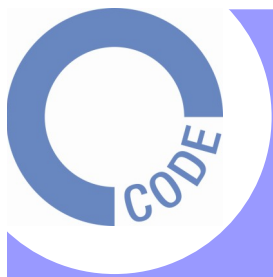

If you find 6 colleagues who will join you for a hands-on course at your practice, you and one staff member can attend for free.

Book 6 weeks in advance and save a further 5%

Cancellation must be received in writing 21 days prior to course for a refund of 90%. No refund can be made, after this date but places are transferable provided the office is notified. CODE Academy reserves the right to change venues, dates, sessions or trainers in case of illness or other conditions beyond its control. It may also cancel the training in which case a full refund will be given.

## CODE ACADEMY

### WEBINARS and VIDEO TRAINING ON DVD

#### ENJOY CPD AT HOME WITH WEBINARS

CODE Academy webinars take place on a Wednesday evening at 7.30pm to 9pm. They give you 1.5 hours of CPD in the comfort of your own home. Webinars require only a computer and a telephone to take part, no special equipment or software is needed. You can hear and see the live presentation and ask questions.

You can sign up for each webinar on the seminar section of the CODEuk.com site and full instructions will be provided. Webinars cost £30 with 10% discount for members and CODEplan practices.

#### FOR FOUNDATION AND ADVANCED COURSES IN

Botulinum toxin
